Addendum No. 1

Dear Contractor:

This addendum is being issued to the contract for construction on State highway in HUMBOLDT COUNTY NEAR SOMES BAR AT 1.1 km WEST OF THE SISKIYOU COUNTY LINE.

Submit bids for this work with the understanding and full consideration of this addendum. The revisions declared in this addendum are an essential part of the contract.

Bids for this work will be opened on August 14, 2001.

This addendum is being issued to the Notice to Contractors and Special Provisions.

In the Special Provisions, Section 5-1.12, "AREAS FOR CONTRACTOR'S USE," the fourth paragraph is replaced with the following:

"Except for that area from Station "K" 4+80 Rt. to Station "K" 5+00 Rt. and within the ESA limits and that area from Station "K" 2+80 Lt. to Station "K" 3+20 Lt. and within the ESA limits, no area is available within the contract limits for the exclusive use of the Contractor. However, temporary storage of equipment and materials on State property may be arranged with the Engineer, subject to the prior demands of State maintenance forces and to other contract requirements. Use of the Contractor's work areas and other State-owned property shall be at the Contractor's own risk, and the State shall not be held liable for damage to or loss of materials or equipment located within such areas."

In the Special Provisions, Section 5-1.15, "RELATIONS WITH THE KARUK TRIBE," the third paragraph is replaced with the following paragraph:

"The Contractor's attention is also directed to the following conditions established by the Karuk Tribe for this project:

1. The Contractor shall not conduct any construction activities during planned Native American ceremonies in Katimiin and Amikiiaram. Such ceremonies are planned for the periods of August 9 through August 12, 2001 and September 12 through September 21, 2001. The Contractor shall be responsible for contacting the Karuk Tribe to ascertain the specific dates when construction activities will be prohibited. Days in which the Contractor's activities are prohibited due to Native American Ceremonies will not be counted as working days. The Contractor shall contact Leaf Hillman of the Karuk Tribe for ceremonies planned at Katimiin, and David Tripp of the Karuk Tribe for ceremonies planned at Amikiiaram. In the event this contract extends into the year 2002, the Engineer will provide a calendar of ceremonial events for that year.
2. The Contractor shall maintain vehicle access to a spring within the project limits for local residents. Attention is directed to "Watering" in these special provisions.

3. Locations for the parking of Contractor vehicles and equipment and the Contractor staging area shall be coordinated with the Engineer prior to beginning work. The Contractor shall not develop a staging area without the written approval of the Engineer.
4. The Contractor shall coordinate and cooperate with the tribal monitor who will monitor all work within the project limits. The Contractor shall keep the Engineer and the tribal monitor apprised of the work schedule. The Contractor shall notify the Engineer and tribal monitor at least 72 hours prior to beginning of any work for which the tribal monitor's presence will be required. The labor costs for the tribal monitor will be paid for by the State, however all costs incurred by the Contractor for coordination with the Karuk Tribe as described herein shall be considered as included in the various items of work and no additional compensation will be allowed therefor."

In the Special Provisions, Section 10-1.02, "ENVIRONMENTALLY SENSITIVE AREA," the first paragraph is replaced with the following paragraph:

"Attention is directed to Section 7-1.11, "Preservation of Property," of the Standard Specifications, the environmentally sensitive areas (ESA), shown on the plans, and certain State and Federal regulations which may pertain to such areas. These areas are protected and neither the Contractor, his employees, equipment or materials shall be allowed access, unless authorized in writing by the Engineer. The Contractor shall take positive measures to ensure that his forces stay out of these areas, including giving written notice to his employees and subcontractors."
